## Summer 2017

**Greetings from your fellow neighbors!**

**The next Sherwood Neighborhood Association get-together will be a POTLUCK PICNIC in the PARK  
Tuesday, June 6th at 6 PM**

We will meet at **Stockford Park**, which is at the corner of NE 9th Ave and NE 105th St. It is easy to find; take 99th Street west, just past the freeway turn right on NE 9th Ave, follow the road a quarter mile until it curves and you will be there at the Park! We will be under the trees near the playground.

We will supply the Fried Chicken and all the utensils for serving; plates, silverware, spatulas, scoops, etc. We will have bottled water and apple snacks, provided by Burgerville at Hwy 99 and 99th Street. *Thank you Burgerville!*

Please join us and bring a potluck dish of your choice to share. We held a picnic last year and it was very well attended. We will be there rain or shine until about 7:30pm. Any questions or if you would like to help with planning, please call Vicki Fitzsimmons at 360-607-8965.

**Neighborhood Garage Sale set for Saturday, July 22nd 9 AM - 3PM**

For the second year we will host Neighborhood wide Garage Sale. It was a big, successful event last year. Betty and Honey made a map of the neighborhood to direct people to houses holding sales. And they posted signs at the entrance to the neighborhood and advertised it online as well! Thank you Betty and Honey!

*Please contact Coordinators Betty Hennessey at 360-574-8061 or Honey Bermel at 503-481-4663 if you would like to be listed in the sale. There is no cost to be listed, please get your information to the coordinators early to be included. They would also like to have some helpers to assist with the signs.*

**Our last meeting had over 60 attendees! We had a visit from our County Councilor, Julie Olson.**

Councilor Olson gave us some timely info about the County budget, law enforcement, road projects and other items that affect our area. We also had two representatives from Clark County Community Development speak about the development that is planned for the corner of Hwy 99 and NE 117th St, which will affect Parkview Dr. At this point there is only a preliminary plan. We will keep everyone updated as the finalized plans are put forth, and we will be sure to announce when it is time for the public comment period. Thank you to all who attended!

**We have had some Executive Board changes. Welcome Jan and Bill Pinaire!**
