

PROJECT OVERVIEW

Heritage Farm Programs & Partners

- Washington State University Extension
- Washington State University Master Gardeners
- Clark County Food Bank
- Master Gardeners Foundation
- Master Composter Recycler Program
- Partners in Careers
- Community Gardens (managed by WSU)
- Pacific Northwest Queen Bee Association
- Clark College - Horticulture Program
- Clark County Juvenile Justice and 4-H programs

Changes Since 2010 Master Plan

- Interpretive Trail Plan created to highlight the property's cultural, social and political history
- Boundary line adjustment moved the expansion of Hazel Dell Park to the west of the park
- Parking lot constructed west of Administration Building
- New greenhouse and high tunnel constructed
- New parking lot is being considered in the Hazel Dell Park expansion area – affecting location of the Community Learning Center & Children's Garden
- Poor farm cemetery extent delineated; Boundary of cemetery shifted east
- The living farm was constructed elsewhere and can be removed from master plan
- Placed on the Washington Historic Register
- Placed on the National Register of Historic Places & Clark County Historic Register
