

GUIDING PRINCIPLES

Celebrating Agricultural Heritage & History

The current Master Plan was guided by the following principles:

- Celebrate our agricultural heritage
- Maintain WSU's presence on the site through programs, research and office facilities
- Showcase and promote sustainable agricultural and building practices
- Support agricultural research that supports sustainable farming practices
- Enhance community wellness and inspire life-long learning
- Promote community volunteerism
- Integrate a variety of activities and resources that provide community access

Direction from County Council:

- Major capital improvements such as community learning center and multi-use building will require outside funding
- Move the Heritage Farm toward financial self-sufficiency
- Do not reconstruct silo
