### Clark County Sheriff's Office Citizen Ride-Along Program

Citizens who wish to ride with an on-duty Clark County Patrol Deputy must complete a ride-along request form which provides the Sheriff's Office with their full name, address, home telephone number, employer, date of birth, reason for the request, and the patrol shift that they prefer to ride.

A complete background investigation is conducted on all applicants. Applicants may not have prior criminal history, or be named as a suspect in an investigation.

Due to the risk factor, riders will be required to sign a Request for Permission as Observer and Hold Harmless Agreement prior to the ride. All applicants under the age of eighteen must have parent or guardian's signed approval prior to the ride.

The Sheriff's Office will attempt to schedule the ride on the date and time requested, but it is not always possible. The scheduled arrangement for the ride is approved by the shift Supervisor and/or Sergeant. Authorization is valid for one ride only. **Citizens are limited to one ride-along per calendar quarter.**
