RE: Satisfactory Development Review Evaluation and Final Approval for "Hockinson Tower Site - PO 1632 D" located north of the church at 15815 NE 182<sup>nd</sup> Avenue (ID # SR0001580; Tax Parcel # 204932-001 and an access along the north edge of parcel #204932-00000; PAC2004-00107; PRS2005-00046; SEP2005-00107)

Dear Applicant:

The Development Review Evaluation of the site for which you have applied has been completed. This evaluation is limited to the area of the proposed development. The findings are:

**On-Site Sewage Treatment Systems (WAC 246-272, CCC 13.08, RCW 58.17):**

There is no evidence of a septic system on the parcel where the tower will be located.

**Water Systems (WAC 173-160, WAC 246-290, CCC 13.40, RCW 58.17):**

There is no evidence of a well on the parcel where the tower will be located.

**Other Health Concerns:**

No other environmental health concerns were observed at the time of this field evaluation.

If you have any questions, please contact us at (360) 397-8428.

Sincerely,

Carla C. Sowder, R.S.  
Environmental Health Specialist
