## Applicant's agreement regarding waived fees

The undersigned applicant(s) for a fee waiver(s) understands that the purpose of Resolution 2013-06-06 is to stimulate job production to counter the high levels of unemployment experienced in Clark County.

The applicant(s) hereby agrees that if it receives a fee waiver for a project pursuant to Resolution 2013-06-06, it will:

1. For tenant improvements in existing commercial, office, and industrial buildings, must obtain approval of the first required building permit inspection no later than six (6) months from the date of permit issuance.
2. For new construction, must obtain approval of the first required building permit inspection no later than nine (9) months from completion and acceptance of site improvements.
3. The applicant shall diligently pursue construction thereafter. "Diligently pursue" shall mean that the Applicant shall obtain an inspection approval at least every two months (or four months for buildings valued at greater than three million dollars).
4. Report to Clark County the amount of taxable retail sales generated by the business, both one-time and on an ongoing basis. An annual report shall also be furnished to Clark County on a calendar-year basis.
