**6th Floor Hearing Room**

**1300 Franklin Street, Vancouver**

**Aaron D. Murphy**

Architect, Author, Speaker

Certified Aging-In-Place Specialist

ADM Architecture

Aaron Murphy's extensive career has focused in the fields of architecture and real estate. Murphy is an architect, author, entrepreneur and certified aging-in-place specialist (CAPS). Murphy has been discussing the future of residential housing related to the bulging baby boomer population for over 4 years. He's noted that the vast majority of seniors first choice is to age-in-place. Seniors can live a longer and happier life by staying in our own home as long as possible via empowering housing solutions. Murphy brings his passion, expertise and sense of humor to the stage with every speech, making his presentation quite enjoyable and engaging.
