

BPAC 2017 WORK PROGRAM

Master Plan Goal #1 Developing a Bicycle and Pedestrian Network

Action 1.2.5. Complete the recommended bikeway and pedestrian networks by closing existing gaps and by integrating innovative design solutions for constrained locations to provide accessible bicycling corridors – when appropriate- throughout Clark County.

Benchmarks:

- Review recommended bikeway and pedestrian networks in Master Plan. Identify status of projects (complete, in design, no action)
- If ‘no action’ has occurred, identify strategies and action plan

Committee members: Michael, Anna, Jack, Dan,

Master Plan Goal #2 Education, Encouragement and Safety Programs

Action 4.1.1. Continue existing and pursue new adult and youth bicycle and pedestrian education and safety programs, such as workshops on bicycle commuting and pedestrian safety.

Benchmarks:

- Work with schools to promote a ‘Walk to School Day’ on May 6th and a ‘Bike to School Day’ on October 7th (<http://www.walkbiketoschool.org/ready/about-the-events/walk-to-school-day>)
- Coordinate with other Cycling groups to create an educational ‘adult/policy makers’ ride

Committee members: Michael, Ellen,

Action 4.1.3. Include temporary street closures (ciclovias) as an encouragement program proposal.

Benchmarks:

- Work with local jurisdictions and neighborhood associations to identify potential event locations and in planning efforts for ciclovias or ‘open streets’ events where residents can bike, walk and run on streets without traffic
- Support events in Clark Communities by volunteering, recruiting, provide input on planning, and helping publicize events.

Committee members: Jack, Juanita, Anna, Scott, Jack

Master Plan Goal #3 Funding

Action 5.1.5. Partner with other agencies to pursue funding for bicycle and pedestrian projects as stand-alone grant applications or as part of larger transportation improvements.

Benchmarks:

- Coordinate workshop of funding and grant programs for BPAC committee members
- Actively search for funding opportunities and make recommendations to jurisdictions on potential funding programs
- Assist in the identification of grant applications that enable agencies to pursue funding

Committee members: Steven Koch

Master Plan Goal #4 Active Transportation Planning and Bicycle and Pedestrian Supportive Land-Uses

Action 6.1.1. Ensure consistent review of road projects & development proposals in the planning stage by the Bicycle and Pedestrian Advisory Committee

Benchmarks:

- Review all roadway projects and development proposal reviews providing comments that promote the integration of bicycle and pedestrian facilities

Committee members: Jack, Dan
