

# NE 68<sup>th</sup> Street East Sidewalk

## Highway 99 to Vancouver City Limits (Approx.)

Cost Estimate: \$2,129,000  
Project Type: Sidewalk  
Project Length: 1.05 mi

### Project Summary

Design sidewalk on one side of NE 68<sup>th</sup> Street along entire corridor, then construct one phase east or west of NE 17<sup>th</sup> Avenue.

### Project Benefits

- Completes sidewalk along one side of entire corridor, connecting several gaps
- Improves access to county park and 78<sup>th</sup> Street Heritage Center used for a variety of outdoor activities.
- Improves safety by removing pedestrians from travel lanes on an urban collector roadway.

### Cost Estimate:

Phase	Year	Total Cost
Design	2019	250,000
Right of Way	2019	300,000
Construction	2020	1,579,000
Total		2,129,000
