

La Center Open House

Last night the first Parks Plan Open house was held from 5-7 pm at the Community Center in La Center. The following points represent last night's highlights:

- 25 people attended
- Maps were displayed showing the unincorporated county's existing parks and trails
- 18 people filled out comment forms and also made comments on the chart packs hanging next to display maps
- Many comments were made regarding the need for equestrian trails and the need for amenities such as trailer parking to support equestrian activities
- Three laptops were made available so people could complete the online parks survey and most of the attendees filled out the online survey
- To date, 574 responses have been received from the online parks survey

An open house will be held tonight at the Camas-Washougal Fire Station on NW Parker Street in Camas, and the final open house will be held from 5-7 pm tomorrow night at the Three Creeks Library in Salmon Creek.
