BUILDING PARTNERSHIPS THROUGH COMMON GOALS

The Clark County Parks Advisory Board (PAB) in collaboration with The Felida Neighborhood Association and The Parks Foundation of Clark County are pleased to invite you and your family to an old fashioned picnic in the park. This is a preliminary notification so you can save the date on your calendars. You will be receiving an electronic EVITE in late June so we can track attendance to ensure we have adequate refreshments.

This event will bring together parks professionals, volunteers, officials and other key community stakeholders for an informal get-to-know-you for like minded individuals.

**Sometimes the best way to
 come together at work is to
 come together at play**

Tough economic times call for a new way of thinking to secure the magnificent parks, trails and open spaces within Clark County for future generations . LETS COME TOGETHER TO MEET THE CHALLENGE

- Good old fashioned family fun!
- Good Vittles (free)
- Swimming & spray play areas
- Potato sack races
- Tug-of-war
- 3-legged races
- Face painting
- Water balloon toss
- Park Information Kiosks
- Wrap the day up with a hike of the Salmon Creek Greenway trail
- And much more

- First objective of the day is to **Have Fun!**
- Lay a foundation for supporting and working together towards common goals
- We work together better when we have relationships
- It is easier to build relationships with face-to-face contact
- An opportunity for you to share your vision for parks and recreation.
- A gathering of like minded individuals mean you get to visit with some old friends and maybe make some new ones.
- Free Lunch
- Did we mention HAVE FUN?

LETS SHARE: Do you have information on a park project or the parks in your area to share?

To reserve space for your easel or table displays simply email:
