

Guest Speaker
Dr. Jaymie Mackler

Commission on Aging Speaker Series

Join us **Nov. 14, 2017**

4:30 – 6:00 p.m.

Public Service Center

1300 Franklin Street, Vancouver

Learn about **Complementary Alternative Medicine**

Complementary and alternative medicine use offers safe, effective treatments for common concerns of the aging population. Learn how complementary and alternative medicine approaches can help with low back pain, arthritis, menopause, andropause, memory decline and digestive ailments.

Dr. Jaymie Mackler, a Naturopathic Physician and Licensed Acupuncturist will help define what CAM practitioners can provide to patients with a focus on Naturopathic Medicine and Acupuncture.
