The purpose of the Council is to advise the Board of Health on

♦ Improving the health of the citizens of Clark County ♦ Promoting public participation in and identification of public health needs ♦

♦ Providing for communication between the Board of Health and the citizens of Clark County ♦

The Council shall provide a forum to

♦ Identify community health needs based on current data and testimony ♦ Set priorities based on these factors to assure present and future health ♦

♦ Evaluate the impact of proposed public health policies and programs to meet identified needs/concerns ♦

♦ Formulate and present recommendations to the Board of Health intended to enhance the health status of county citizens in Clark County ♦
