BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

PART I

Findings

NEW SECTION. Sec. 101. (1) The legislature finds that the use of vapor inhalation products, such as e-cigarettes, e-devices, and vape pens, has risen at an alarming rate both among adults and youth. Vapor products pose a serious public health risk because of the addictiveness of nicotine, the impact of nicotine on fetal
development and adolescent brain development, the risk of liquid nicotine poisoning, and exposure to carcinogens and other toxic chemicals. Specifically, the legislature finds:

(a) Vapor products are battery-operated devices with cartridges or refillable tanks that contain a mixture of various liquids, such as propylene glycol, glycerol, nicotine, and chemical flavorings. The devices atomize the liquid mixture, producing a vapor that the user inhales.

(b) Vapor products are widely available online and in retail stores. The sale of vapor products has rapidly increased over the past several years, and by 2017, their sales margins are predicted to surpass cigarettes. Nationally, the percentage of middle school and high school students who have used vapor products more than doubled from 2011 to 2012. By 2014, seventeen percent of twelfth graders had tried e-cigarettes. In Washington, the 2012 healthy youth survey found that almost seven percent of twelfth graders had used an e-cigarette in the past month. These rates are alarming because an overwhelming majority of smokers begin smoking and become addicted to nicotine as teenagers, and the equipment used may be sold and used interchangeably for marijuana and nicotine. Current law in Washington prohibits the sale of vapor products containing nicotine to minors, but given the availability of vapor products online and equipment sold separately at retail stores, this law is difficult to enforce.

(i) Most vapor products contain nicotine, a fast-acting drug that the United States surgeon general has found to be as addictive as cocaine and heroin. For young people in particular, vapor products may act as a gateway to cigarettes or other combustible tobacco products, which are the leading cause of preventable disease, disability, and death. Studies are confirming this trend; one in five middle school students who had tried e-cigarettes had never tried conventional cigarettes.

(ii) While the health impacts of vapor products are still being studied, studies have found that many vapor products contain carcinogens and toxic chemicals, including cadmium, formaldehyde, and lead. Depending on the type of device, the vapor may also contain metals and other materials from the device components.

(iii) Vapor products have some of the same negative health impacts on developing fetuses and infants as combustible tobacco products, including preterm delivery, stillbirth, problems feeding, delayed physical and mental development, impaired learning, and
memory loss. During adolescence, exposure to nicotine may have lasting consequences for brain development.

(iv) When ingested or absorbed through the skin, even small amounts of liquid nicotine may be toxic or even fatal to children. In Washington, poison center calls related to e-cigarettes have increased from two in 2010 to one hundred forty-four in the first nine months of 2014, ninety-seven of which involved children. Of the calls involving children, eighty-four percent were one to three years old.

(v) There is no scientific evidence that vapor products are an effective long-term smoking cessation aid. People who use vapor products often continue to use combustible tobacco products. In addition, e-cigarettes may renormalize smoking behavior and serve as a reinitiation to smoking by former smokers.

(c) Vapor products are particularly appealing to young people, in part because they are widely available, have a high-technology design, and are marketed with fruit and candy flavors, like bubble gum and cotton candy. E-cigarette advertisements use celebrities and appear on television, the internet, and social media.

(d) Vapor products are largely unregulated today. Because of federal inaction, consumers do not have access to information about the contents of the vapor products they use, including the concentration of nicotine and other potentially harmful chemicals. An analysis performed by the food and drug administration found that the quality control processes used to manufacture e-cigarettes were inconsistent or nonexistent and that cartridges labeled as having no nicotine did have low levels of nicotine present.

(e) Existing regulatory efforts aimed at alcohol and cigarettes provide models for reducing the availability and appeal of vapor products to youth. Because of the appeal of sweetened products to young people, flavored cigarettes are banned at the federal level, and two major cities have banned flavored tobacco products. Studies have shown that smokers who are seventeen years old are three times as likely to use flavored cigarettes as smokers over the age of twenty-five. Documents obtained during litigation against the tobacco industry reveal that tobacco companies have used fruit, candy, and alcohol flavors as a way to target youth. Tobacco industry documents state that "sweetness can impart a different delivery taste dimension which younger adults may be receptive to," that it is "a well known fact that teenagers like sweet products," and that flavored products
would have appeal "in the under 35 age group, especially in the 14-24
group." The tobacco industry uses flavored products as a "graduation
strategy" to encourage new users to start with products with lower
levels of nicotine and progress to products with higher levels of
nicotine.

(f) Several countries, including Canada and Mexico, prohibit the
sale of e-cigarettes, and in the face of federal inaction, states and
municipalities in the United States have begun enacting laws to
restrict access to vapor products. For example, most states prohibit
the sale of vapor products to minors, and several counties in
Washington have enacted ordinances that comprehensively regulate the
sale and use of electronic smoking devices in their jurisdictions.

(g) The low cost of e-cigarettes and nicotine liquids for vapor
products, particularly compared to cigarettes, is a key factor in
youth access and use. Legislative testimony has indicated that
refillable nicotine liquid and disposable e-cigarettes are ten and
twenty percent of the cost of a pack of cigarettes in
Washington. E-cigarettes are advertised as saving smokers thousands
of dollars. One survey of adult users has shown that the low price of
e-cigarettes compared to other tobacco products is a key reason for
their use, and youth are even more sensitive to price than
adults. Increasing the price of vapor products will decrease youth
access and addiction, just as raising taxes on cigarettes to
discourage youth and adult smoking decreased youth access and
addiction.

(h) Public health infrastructure and enforcement to prevent youth
access to tobacco and vapor products in Washington will benefit from
the investment of fees established or increased by this act.

(2) The legislature finds, therefore, that this act is necessary
to protect the public health, safety, and welfare by providing
consumers with information about products that are potentially
dangerous, reducing youth access to addictive nicotine products, and
preventing nicotine poisonings of children.

Further, tobacco products or vapor products possessed by persons under the age of eighteen years of age are considered contraband and may be seized by a peace officer or enforcement officer of the ((liquor control)) board.

(4) The ((liquor control)) board may work with local county health departments or districts and local law enforcement agencies to conduct random, unannounced((7)) inspections to assure compliance.

p. 15 HB 1645
Sec. 119. RCW 70.155.120 and 1993 c 507 s 13 are each amended to read as follows:

(1) The youth tobacco and vapor products prevention account is created in the state treasury. All fees collected pursuant to RCW 82.24.520 (and) 82.24.530, and section 215 of this act and funds collected by the liquor control board from the imposition of monetary penalties (and samplers' fees shall) must be deposited into this account, except that ten percent of all such fees and penalties (shall) must be deposited in the state general fund.

(2) Moneys appropriated from the youth tobacco and vapor products prevention account to the department (of health shall) must be used by the department (of health) for implementation of this chapter, including collection and reporting of data regarding enforcement and the extent to which access to tobacco products and vapor products by youth has been reduced.

(3) The department (of health shall) must enter into interagency agreements with the liquor control board to pay the costs incurred, up to thirty percent of available funds, in carrying out its enforcement responsibilities under this chapter. Such agreements (shall) must set forth standards of enforcement, consistent with the funding available, so as to reduce the extent to which tobacco products and vapor products are available to individuals under the age of eighteen. The agreements (shall) must also set forth requirements for data reporting by the liquor control board regarding its enforcement activities.

(4) The department of health and the department of revenue (shall) must enter into an interagency agreement for payment of the cost of administering the tobacco and vapor product retailer licensing system and for the provision of quarterly documentation of tobacco and vapor product wholesaler, retailer, and vending machine names and locations.

(5) The department (of health shall) must, within up to seventy percent of available funds, provide grants to local health departments or other local community agencies to develop and implement coordinated tobacco and vapor product intervention strategies to prevent and reduce (tobacco) use by youth.

Sec. 120. RCW 70.155.130 and 1993 c 507 s 14 are each amended to read as follows:
This chapter preempts political subdivisions from adopting or enforcing requirements for the licensure and regulation of tobacco product promotions and sales within retail stores, except that political subdivisions that have adopted ordinances prohibiting sampling by January 1, 1993, may continue to enforce these ordinances. No political subdivision may:

((1)) (a) Impose fees or license requirements on retail businesses for possessing or selling cigarettes or tobacco products, other than general business taxes or license fees not primarily levied on tobacco products; or

((2)) (b) Regulate or prohibit activities related to tobacco products that are covered by RCW 70.155.020 through 70.155.080. This chapter does not otherwise preempt political subdivisions from adopting ordinances regulating the sale, purchase, use, or promotion of tobacco products not inconsistent with chapter 507, Laws of 1993.

(2) Nothing in this chapter preempts a political subdivision from imposing additional restrictions on the sale, purchase, use, or promotion of vapor products.

Sec. 121. RCW 70.155.140 and 2009 c 278 s 2 are each amended to read as follows:

(a) Ship or transport, or cause to be shipped or transported, any tobacco product or vapor product ordered or purchased by mail or through the internet to anyone in this state other than a licensed wholesaler, distributor, or retailer; or

(b) With knowledge or reason to know of the violation, provide substantial assistance to a person who is in violation of this section.

(2) This section does not prohibit shipping, selling, or transporting, or causing to be sold, shipped, or transported, concentrated nicotine ordered or purchased by mail or through the internet to a person who:

(a) Is engaged in business in this state;

(b) Has a documented commercial or industrial need for concentrated nicotine that is not related to the sale, distribution, or manufacture of vapor products; and

(c) Receives a waiver from the board.
(3)(a) A person who knowingly violates subsection (1) of this section is guilty of a class C felony, except that the maximum fine that may be imposed is five thousand dollars.

(b) In addition to or in lieu of any other civil or criminal remedy provided by law, a person who has violated subsection (1) of this section is subject to a civil penalty of up to five thousand dollars for each violation. The attorney general, acting in the name of the state, may seek recovery of the penalty in a civil action in superior court. For purposes of this subsection, each shipment or transport of tobacco products or vapor products constitutes a separate violation.

((4)) (4) The attorney general may seek an injunction in superior court to restrain a threatened or actual violation of subsection (1) of this section and to compel compliance with subsection (1) of this section.

((4)) (5) Any violation of subsection (1) of this section is not reasonable in relation to the development and preservation of business and is an unfair and deceptive act or practice and an unfair method of competition in the conduct of trade or commerce in violation of RCW 19.86.020. Standing to bring an action to enforce RCW 19.86.020 for violation of subsection (1) of this section lies solely with the attorney general. Remedies provided by chapter 19.86 RCW are cumulative and not exclusive.

((5)) (6)(a) In any action brought under this section, the state is entitled to recover, in addition to other relief, the costs of investigation, expert witness fees, costs of the action, and reasonable attorneys' fees.

(b) If a court determines that a person has violated subsection (1) of this section, the court (shall) must order any profits, gain, gross receipts, or other benefit from the violation to be disgorged and paid to the state treasurer for deposit in the general fund.

The department and the board must submit a report with findings and recommendations to the governor and the appropriate committees of the legislature by December 1, 2016.

(2) By December 1, 2016, the department of health must submit a report to the governor and the appropriate committees of the legislature recommending whether the sale of vapor products with flavors other than those prohibited under section 113 of this act, such as menthol, mint, and wintergreen, should be prohibited.

(3) This section expires January 1, 2017.

of a vapor product's true value at the time and place of the taxable

department. For purposes of this subsection, "true value" means

(iii) "Tobacco products" has the same meaning as in RCW 82.26.010.

NEW SECTION. Sec. 202. (1)(a) There is levied and collected a tax upon the sale, use, consumption, handling, possession, or distribution of all vapor products in this state equal to ninety-five percent of the taxable sales price. If the vapor product is sold together with products not taxable under this chapter for one price, the tax imposed by this section applies to the entire selling price of the product, except as provided in (b) of this subsection.

(b) If the seller can identify by reasonable and verifiable standards the portion of the selling price attributable to the vapor products from its books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes, the tax imposed by this section only applies to that portion of the selling price of the product attributable to the vapor products.

(2)(a) The tax under this section must be collected at the time the distributor: (i) Brings, or causes to be brought, into this state from without the state vapor products for sale; (ii) makes, manufactures, fabricates, or stores vapor products in this state for sale in this state; (iii) ships or transports vapor products to retailers in this state, to be sold by those retailers; or (iv) handles for sale any vapor products that are within this state but upon which tax has not been imposed.

(b) The tax imposed under this section must also be collected by the department from the consumer of vapor products where the tax imposed under this section was not paid by the distributor on such vapor products.

(3) The moneys collected under this section must be deposited as follows: (a) Ninety percent into the state general fund; and (b) ten percent into the state general fund for transportation safety and purposes of research, education, and oversight.
percent into the essential public health services account created in section 203 of this act.

(4) The department may adopt rules to implement this section.

NEW SECTION. Sec. 203. (1) The essential public health services account is created in the state treasury. The revenue from the tax collected under section 202 of this act must be deposited into the account. Moneys in the account may be spent only after appropriation to the department of health. The department must use the moneys in the account for each of the three following purposes: (a) To fund essential governmental public health services; (b) to fund tobacco control and prevention and other substance use prevention and education; and (c) to use to strengthen and support public health system capabilities, including accredited higher education public health programs.

(2) To determine the funding for essential governmental public health services pursuant to subsection (1)(a) of this section, the department of health and representatives of local health jurisdictions must work together to: (a) Arrive at a mutually acceptable allocation and distribution of funds from the account; and (b) determine the best accountability measures to ensure efficient and effective use of funds, emphasizing use of shared services where appropriate.

NEW SECTION. Sec. 204. See RCW 82.32.805 for the expiration date of new tax preferences for the tax imposed under this chapter.

NEW SECTION. Sec. 205. It is the intent and purpose of this chapter to levy a tax on all vapor products sold, used, consumed, handled, possessed, or distributed within this state. It is the further intent and purpose of this chapter to impose the tax only once on all vapor products in this state. Nothing in this chapter may be construed to exempt any person taxable under any other law or under any other tax imposed under this title.

NEW SECTION. Sec. 206. The tax imposed by section 202 of this act does not apply with respect to any vapor products which under the Constitution and laws of the United States may not be made the subject of taxation by this state.
NEW SECTION. Sec. 207. (1) Every distributor must keep at each place of business complete and accurate records for that place of business, including itemized invoices, of vapor products held, purchased, manufactured, brought in or caused to be brought in from without the state, or shipped or transported to retailers in this state, and of all sales of vapor products made.

(2) These records must show the names and addresses of purchasers, the inventory of all vapor products, and other pertinent papers and documents relating to the purchase, sale, or disposition of vapor products. All invoices and other records required by this section to be kept must be preserved for a period of five years from the date of the invoices or other documents or the date of the entries appearing in the records.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees, may enter any place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under this chapter, and the vapor products contained therein, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees are denied free access or are hindered or interfered with in making such examination, the registration certificate issued under RCW 82.32.030 of the distributor at such premises are subject to revocation by the department, and any licenses issued under this chapter or chapter 82.26 or 82.24 RCW are subject to suspension or revocation by the board.

NEW SECTION. Sec. 208. Every person required to be licensed under this chapter who sells vapor products to persons other than the ultimate consumer must render with each sale itemized invoices showing the seller's name and address, the purchaser's name and address, the date of sale, and all prices. The person must preserve legible copies of all such invoices for five years from the date of sale.

NEW SECTION. Sec. 209. (1) Every retailer must procure itemized invoices of all vapor products purchased. The invoices must show the seller's name and address, the date of purchase, and all prices and discounts.
(2) The retailer must keep at each retail outlet copies of complete, accurate, and legible invoices for that retail outlet or place of business. All invoices required to be kept under this section must be preserved for five years from the date of purchase.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees may enter any retail outlet without a search warrant, and inspect the premises for invoices required to be kept under this section and the vapor products contained in the retail outlet, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees are denied free access or are hindered or interfered with in making the inspection, the registration certificate issued under RCW 82.32.030 of the retailer at the premises is subject to revocation by the department, and any licenses issued under this chapter or chapter 82.26 or 82.24 RCW are subject to suspension or revocation by the board.

NEW SECTION. Sec. 210. (1)(a) Where vapor products upon which the tax imposed by this chapter has been reported and paid are shipped or transported outside this state by the distributor to a person engaged in the business of selling vapor products, to be sold by that person, or are returned to the manufacturer by the distributor or destroyed by the distributor, or are sold by the distributor to the United States or any of its agencies or instrumentalities, or are sold by the distributor to any Indian tribal organization, credit of such tax may be made to the distributor in accordance with rules prescribed by the department.

(b) For purposes of this subsection, the following definitions apply:

(i) "Indian distributor" means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of "distributor" under section 201 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of "person" in section 201 of this act.

(ii) "Indian retailer" means a federally recognized Indian tribe or tribal entity that would otherwise meet the definition of "retailer" under section 201 of this act, if federally recognized Indian tribes and tribal entities were not excluded from the definition of "person" in section 201 of this act.
(iii) "Indian tribal organization" means a federally recognized Indian tribe, or tribal entity, and includes an Indian distributor or retailer that is owned by an Indian who is an enrolled tribal member conducting business under tribal license or similar tribal approval within Indian country.

(2) Credit allowed under this section must be determined based on the tax rate in effect for the period for which the tax imposed by this chapter, for which a credit is sought, was paid.

NEW SECTION. Sec. 211. All of the provisions contained in chapter 82.32 RCW not inconsistent with the provisions of this chapter have full force and application with respect to taxes imposed under the provisions of this chapter.

NEW SECTION. Sec. 212. The department must authorize, as duly authorized agents, enforcement officers of the liquor control board to enforce provisions of this chapter. These officers are not employees of the department.

NEW SECTION. Sec. 213. (1) The department may by rule establish the invoice detail required under section 207 of this act for a distributor under section 201(6)(d) of this act and for those invoices required to be provided to retailers under section 208 of this act.

(2) If a retailer fails to keep invoices as required under section 209 of this act, the retailer is liable for the tax owed on any un invoiced vapor products but not penalties and interest, except as provided in subsection (3) of this section.

(3) If the department finds that the nonpayment of tax by the retailer was willful or if in the case of a second or plural nonpayment of tax by the retailer, penalties and interest must be assessed in accordance with chapter 82.32 RCW.

NEW SECTION. Sec. 214. (1) No person may transport or cause to be transported in this state vapor products for sale other than: (a) A licensed distributor in the distributor's own vehicle, a manufacturer's representative authorized to sell or distribute vapor products in this state under section 221 of this act, or a licensed retailer in the retailer's own vehicle; or (b) a person who has given notice to the board in advance of the commencement of transportation.
(2) When transporting vapor products for sale, the person must have in his or her actual possession, or cause to have in the actual possession of those persons transporting such vapor products on his or her behalf, invoices or delivery tickets for the vapor products, which must show the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of the vapor products being transported.

(3) In any case where the department or the board, or any peace officer of the state, has knowledge or reasonable grounds to believe that any vehicle is transporting vapor products in violation of this section, the department, board, or peace officer, is authorized to stop the vehicle and to inspect it for contraband vapor products.

NEW SECTION. Sec. 215. (1) The licenses issuable by the board under this chapter are as follows:

(a) A distributor's license; and

(b) A retailer's license.

(2) Application for the licenses must be made through the business licensing system under chapter 19.02 RCW. The board may adopt rules regarding the regulation of the licenses. The board may refuse to issue any license under this chapter if the board has reasonable cause to believe that the applicant has willfully withheld information requested for the purpose of determining the eligibility of the applicant to receive a license, or if the board has reasonable cause to believe that information submitted in the application is false or misleading or is not made in good faith. In addition, for the purpose of reviewing an application for a distributor's license or retailer's license and for considering the denial, suspension, or revocation of any such license, the board may consider criminal conduct of the applicant, including an administrative violation history record with the board and a criminal history record information check within the previous five years, in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions, and the provisions of RCW 9.95.240 and chapter 9.96A RCW do not apply to such cases. The board may, in its discretion, issue or refuse to issue the distributor's license or retailer's license, subject to the provisions of section 222 of this act.

(3) No person may qualify for a distributor's license or a retailer's license under this section without first undergoing a
criminal background check. The background check must be performed by
the board and must disclose any criminal conduct within the previous
five years in any state, tribal, or federal jurisdiction in the
United States, its territories, or possessions. If the applicant or
licensee also has a license issued under chapter 66.24, 82.24, or
82.26 RCW, the background check done under the authority of chapter
66.24, 82.24, or 82.26 RCW satisfies the requirements of this
subsection.

(4) Each license issued under this chapter expires on the
business license expiration date. The license must be continued
annually if the licensee has paid the required fee and complied with
all the provisions of this chapter and the rules of the board adopted
pursuant to this chapter.

(5) Each license and any other evidence of the license required
under this chapter must be exhibited in each place of business for
which it is issued and in the manner required for the display of a
business license.

(6) License issuances and renewals are subject to board authority
and the rules adopted under the board including, but not limited to,
rights of cities, towns, county legislative authorities, the public,
churches, schools, and public institutions that object to or prevent
issuance of licenses.

NEW SECTION. Sec. 216. A fee of six hundred fifty dollars must
accompany each distributor's license application or license renewal
application. If a distributor sells or intends to sell vapor products
at two or more places of business, whether established or temporary,
a separate license with a license fee of one hundred fifteen dollars
is required for each additional place of business.

NEW SECTION. Sec. 217. A fee of two hundred fifty dollars must
accompany each retailer's license application or license renewal
application. A separate license is required for each separate
location at which the retailer operates.

NEW SECTION. Sec. 218. The board must compile and maintain a
current record of the names of all distributors and retailers
licensed under this chapter and the status of their license or
licenses. The information must be updated on a monthly basis and
published on the board's official internet web site. This information
is not subject to the confidentiality provisions of RCW 82.32.330 and
must be disclosed to manufacturers, distributors, retailers, and the
general public upon request.

NEW SECTION.  Sec. 219.  (1)(a) No person may engage in or
carry on business as a distributor or retailer in this state without a
valid license issued under this chapter, except as otherwise provided
by law. Any person who sells vapor products to persons other than
ultimate consumers or who meets the definition of "distributor" under
section 201(6)(d) of this act must obtain a distributor's license
under this chapter. Any person who sells vapor products to ultimate
consumers must obtain a retailer's license under this chapter.

(b) A violation of this subsection (1) is punishable as a class C
felony according to chapter 9A.20 RCW.

(2)(a) No person engaged in or conducting business as a
distributor or retailer in this state may:

(i) Refuse to allow the department or the board, on demand, to
make a full inspection of any place of business where any of the
vapor products taxed under this chapter are sold, stored, or handled,
or otherwise hinder or prevent such inspection;

(ii) Make, use, or present or exhibit to the department or the
board any invoice for any of the vapor products taxed under this
chapter that bears an untrue date or falsely states the nature or
quantity of the goods invoiced; or

(iii) Fail to produce on demand of the department or the board
all invoices of all the vapor products taxed under this chapter
within five years prior to such demand unless the person can show by
satisfactory proof that the nonproduction of the invoices was due to
causes beyond the person's control.

(b) No person, other than a licensed distributor or retailer, may
transport vapor products for sale in this state for which the taxes
imposed under this chapter have not been paid unless:

(i) Notice of the transportation has been given as required under
section 214 of this act;

(ii) The person transporting the vapor products actually
possesses invoices or delivery tickets showing the true name and
address of the consignor or seller, the true name and address of the
consignee or purchaser, and the quantity and brands of vapor products
being transported; and
(iii) The vapor products are consigned to or purchased by a person in this state who is licensed under this chapter.

(c) A violation of this subsection (2) is a gross misdemeanor.

(3) Any person licensed under this chapter as a distributor, and any person licensed under this chapter as a retailer, may not operate in any other capacity unless the additional appropriate license is first secured, except as otherwise provided by law. A violation of this subsection (3) is a misdemeanor.

(4) The penalties provided in this section are in addition to any other penalties provided by law for violating the provisions of this chapter or the rules adopted under this chapter.

NEW SECTION. Sec. 220. (1) A retailer that obtains vapor products from an unlicensed distributor or any other person that is not licensed under this chapter must be licensed both as a retailer and a distributor under this chapter and is liable for the tax imposed under section 202 of this act with respect to the vapor products acquired from the unlicensed person that are held for sale, handling, or distribution in this state. For the purposes of this subsection, "person" includes both persons defined in section 201(10) of this act and any person immune from state taxation, such as the United States or its instrumentalities, and federally recognized Indian tribes and enrolled tribal members, conducting business within Indian country.

(2) Every distributor licensed under this chapter may sell vapor products to retailers located in Washington only if the retailer has a current retailer's license under this chapter.

NEW SECTION. Sec. 221. A manufacturer that has manufacturer's representatives who sell or distribute the manufacturer's vapor products in this state must provide the board a list of the names and addresses of all such representatives and must ensure that the list provided to the board is kept current. A manufacturer's representative is not authorized to distribute or sell vapor products in this state unless the manufacturer that hired the representative has a valid distributor's license under this chapter and that manufacturer provides the board a current list of all of its manufacturer's representatives as required by this section. A manufacturer's representative must carry a copy of the distributor's
license of the manufacturer that hired the representative at all
times when selling or distributing the manufacturer's vapor products.

NEW SECTION.  Sec. 222. (1) The board must enforce this chapter. The board may adopt, amend, and repeal rules necessary to enforce this chapter.
(2) The department may adopt, amend, and repeal rules necessary to administer this chapter. The board may revoke or suspend the distributor's or retailer's license of any distributor or retailer of vapor products in the state upon sufficient cause showing a violation of this chapter or upon the failure of the licensee to comply with any of the rules adopted under it.
(3) A license may not be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by the board. The board, upon finding that the licensee has failed to comply with any provision of this chapter or of any rule adopted under it, must, in the case of the first offense, suspend the license or licenses of the licensee for a period of not less than thirty consecutive business days, and in the case of a second or further offense, suspend the license or licenses for a period of not less than ninety consecutive business days but not more than twelve months, and in the event the board finds the licensee has been guilty of willful and persistent violations, it may revoke the license or licenses.
(4) Any licenses issued under chapter 82.24 or 82.26 RCW to a person whose license or licenses have been suspended or revoked under this section must also be suspended or revoked during the period of suspension or revocation under this section.
(5) Any person whose license or licenses have been revoked under this section may reapply to the board at the expiration of one year of the license or licenses. The license or licenses may be approved by the board if it appears to the satisfaction of the board that the licensee will comply with the provisions of this chapter and the rules adopted under it.
(6) A person whose license has been suspended or revoked may not sell vapor products, tobacco products, or cigarettes or permit vapor products, tobacco products, or cigarettes to be sold during the period of suspension or revocation on the premises occupied by the person or upon other premises controlled by the person or others or in any other manner or form.
(7) Any determination and order by the board, and any order of suspension or revocation by the board of the license or licenses issued under this chapter, or refusal to reinstate a license or licenses after revocation is reviewable by an appeal to the superior court of Thurston county. The superior court must review the order or ruling of the board and may hear the matter de novo, having due regard to the provisions of this chapter and the duties imposed upon the board.

(8) If the board makes an initial decision to deny a license or renewal, or suspend or revoke a license, the applicant may request a hearing subject to the applicable provisions under Title 34 RCW.

NEW SECTION. Sec. 223. (1) Any vapor products in the possession of a person selling vapor products in this state acting as a distributor or retailer and who is not licensed as required under section 219 of this act, or a person who is selling vapor products in violation of section 222(6) of this act, may be seized without a warrant by any agent of the department, agent of the board, or law enforcement officer of this state. Any vapor products seized under this subsection are deemed forfeited.

(2) Any vapor products in the possession of a person who is not a licensed distributor or retailer and who transports vapor products for sale without having provided notice to the board required under section 214 of this act, or without invoices or delivery tickets showing the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of vapor products being transported may be seized and are subject to forfeiture.

(3) All conveyances, including aircraft, vehicles, or vessels that are used, or intended for use to transport, or in any manner to facilitate the transportation, for the purpose of sale or receipt of vapor products under subsection (2) of this section, may be seized and are subject to forfeiture except:

(a) A conveyance used by any person as a common or contract carrier having in actual possession invoices or delivery tickets showing the true name and address of the consignor or seller, the true name of the consignee or purchaser, and the quantity and brands of the vapor products transported, unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter;
(b) A conveyance subject to forfeiture under this section by reason of any act or omission of which the owner establishes to have been committed or omitted without his or her knowledge or consent; or
(c) A conveyance encumbered by a bona fide security interest if the secured party neither had knowledge of nor consented to the act or omission.

(4) Property subject to forfeiture under subsections (2) and (3) of this section may be seized by any agent of the department, the board, or law enforcement officer of this state upon process issued by any superior court or district court having jurisdiction over the property. Seizure without process may be made if:
(a) The seizure is incident to an arrest or a search warrant or an inspection under an administrative inspection warrant; or
(b) The department, board, or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter and exigent circumstances exist making procurement of a search warrant impracticable.

(5) This section may not be construed to require the seizure of vapor products if the department's agent, board's agent, or law enforcement officer reasonably believes that the vapor products are possessed for personal consumption by the person in possession of the vapor products.

(6) Any vapor products seized by a law enforcement officer must be turned over to the board as soon as practicable.

NEW SECTION. Sec. 224. (1) In all cases of seizure of any vapor products made subject to forfeiture under this chapter, the department or board must proceed as provided in RCW 82.24.135.

(2) When vapor products are forfeited under this chapter, the department or board may:
(a) Retain the property for official use or upon application by any law enforcement agency of this state, another state, or the District of Columbia, or of the United States for the exclusive use of enforcing this chapter or the laws of any other state or the District of Columbia or of the United States; or
(b) Sell the vapor products at public auction to the highest bidder after due advertisement. Before delivering any of the goods to the successful bidder, the department or board must require the purchaser to pay the proper amount of any tax due. The proceeds of the sale must be first applied to the payment of all proper expenses.
of any investigation leading to the seizure and of the proceedings
for forfeiture and sale, including expenses of seizure, maintenance
of custody, advertising, and court costs. The balance of the proceeds
and all money must be deposited in the general fund of the state.
Proper expenses of investigation include costs incurred by any law
enforcement agency or any federal, state, or local agency.

(3) The department or the board may return any property seized
under the provisions of this chapter when it is shown that there was
no intention to violate the provisions of this chapter. When any
property is returned under this section, the department or the board
may return the property to the parties from whom they were seized if
and when such parties have paid the proper amount of tax due under
this chapter.

NEW SECTION. Sec. 225. When the department or the board has
good reason to believe that any of the vapor products taxed under
this chapter are being kept, sold, offered for sale, or given away in
violation of the provisions of this chapter, it may make affidavit of
facts describing the place or thing to be searched, before any judge
of any court in this state, and the judge must issue a search warrant
directed to the sheriff, any deputy, police officer, or duly
authorized agent of the department or the board commanding him or her
diligently to search any building, room in a building, place, or
vehicle as may be designated in the affidavit and search warrant, and
to seize the vapor products and hold them until disposed of by law.

NEW SECTION. Sec. 226. The taxes imposed by this chapter do not
apply to the sale, use, consumption, handling, possession, or
distribution of vapor products by an Indian retailer during the
effective period of a vapor product tax contract subject to section
303 of this act.

NEW SECTION. Sec. 227. (1) Preexisting inventories of vapor
products are subject to the tax imposed in section 202 of this act.
All retailers and other distributors must report the tax due under
section 202 of this act on preexisting inventories of vapor products
on the taxpayer's excise tax return for a reporting period that
includes tax liability accruing on and after October 1, 2015,
consistent with the taxpayer's regular tax reporting frequency.
(2) A retailer required to comply with subsection (1) of this section is not required to obtain a distributor's license as otherwise required under this chapter as long as the retailer: (a) Does not sell vapor products other than to ultimate consumers; and (b) does not meet the definition of "distributor" in section 201(6)(d) of this act other than with respect to the sale of that retailer's preexisting inventory of vapor products.

(3) Taxes may not be collected under section 202(2)(b) of this act from consumers with respect to any vapor products acquired before the effective date of section 202 of this act.

(4) For purposes of this section:
   (a) The definitions in section 201 of this act apply; and
   (b) "Preexisting inventory" means an inventory of vapor products located in this state as of the moment that section 202 of this act takes effect and held by a distributor for sale, handling, or distribution in this state.

Sec. 228. RCW 66.08.145 and 2007 c 221 s 1 are each amended to read as follows:
   (1) The liquor control board may issue subpoenas in connection with any investigation, hearing, or proceeding for the production of books, records, and documents held under this chapter or chapters 70.155, 70.158, 82.24, ((and)) 82.26, and 82.-- RCW (the new chapter created in section 403 of this act), and books and records of common carriers as defined in RCW 81.80.010, or vehicle rental agencies relating to the transportation or possession of cigarettes or other tobacco products.
   (2) The liquor control board may designate individuals authorized to sign subpoenas.
   (3) If any person is served a subpoena from the board for the production of records, documents, and books, and fails or refuses to obey the subpoena for the production of records, documents, and books when required to do so, the person is subject to proceedings for contempt, and the board may institute contempt of court proceedings in the superior court of Thurston county or in the county in which the person resides.

Sec. 229. RCW 66.44.010 and 1998 c 18 s 1 are each amended to read as follows:
(1) All county and municipal peace officers are hereby charged with the duty of investigating and prosecuting all violations of this title, and the penal laws of this state relating to the manufacture, importation, transportation, possession, distribution and sale of liquor, and all fines imposed for violations of this title and the penal laws of this state relating to the manufacture, importation, transportation, possession, distribution and sale of liquor (shall) belong to the county, city or town wherein the court imposing the fine is located, and (shall) must be placed in the general fund for payment of the salaries of those engaged in the enforcement of the provisions of this title and the penal laws of this state relating to the manufacture, importation, transportation, possession, distribution and sale of liquor (provided, That). However, all fees, fines, forfeitures and penalties collected or assessed by a district court because of the violation of a state law (shall) must be remitted as provided in chapter 3.62 RCW as now exists or is later amended.

(2) In addition to any and all other powers granted, the board (shall have) has the power to enforce the penal provisions of this title and the penal laws of this state relating to the manufacture, importation, transportation, possession, distribution and sale of liquor (shall). However, all fees, fines, forfeitures and penalties collected or assessed by a district court because of the violation of a state law (shall) must be remitted as provided in chapter 3.62 RCW as now exists or is later amended.

(3) In addition to the other duties under this section, the board (shall) must enforce chapters 82.24 (and) 82.26, and 82.-- RCW (the new chapter created in section 403 of this act).

(4) The board may appoint and employ, assign to duty and fix the compensation of, officers to be designated as liquor enforcement officers. Such liquor enforcement officers (shall) have the power, under the supervision of the board, to enforce the penal provisions of this title and the penal laws of this state relating to the manufacture, importation, transportation, possession, distribution and sale of liquor. Sec. 230. RCW 82.24.510 and 2013 c 144 s 50 are each amended to read as follows:

(1) The licenses issuable under this chapter are as follows:
   (a) A wholesaler's license.
   (b) A retailer's license.

(2) Application for the licenses must be made through the business licensing system under chapter 19.02 RCW. The board must adopt rules regarding the regulation of the licenses. The board may refrain from the issuance of any license under this chapter if the board has reasonable cause to believe that the applicant has willfully withheld information requested for the purpose of determining the eligibility of the applicant to receive a license, or if the board has reasonable cause to believe that information submitted in the application is false or misleading or is not made in good faith. In addition, for the purpose of reviewing an application for a wholesaler's license or retailer's license and for considering the denial, suspension, or revocation of any such license, the board may consider any prior criminal conduct of the applicant, including an administrative violation history record with the board and a criminal history record information check within the previous five years, in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions, and the provisions of RCW 9.95.240 and chapter 9.96A RCW do not apply to such cases. The board may, in its discretion, grant or refuse the wholesaler's license or retailer's license, subject to the provisions of RCW 82.24.550.

(3) No person may qualify for a wholesaler's license or a retailer's license under this section without first undergoing a criminal background check. The background check must be performed by the board and must disclose any criminal conduct within the previous five years in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions. A person who possesses a valid license on July 22, 2001, is subject to this subsection and subsection (2) of this section beginning on the date of the person's business license expiration under chapter 19.02 RCW, and thereafter. If the applicant or licensee also has a license
issued under chapter 66.24 or 82.26 or 82.-- RCW (the new chapter created in section 403 of this act), the background check done under the authority of chapter 66.24 or 82.26 or 82.-- RCW (the new chapter created in section 403 of this act) satisfies the requirements of this section.

(4) Each such license expires on the business license expiration date, and each such license must be continued annually if the licensee has paid the required fee and complied with all the provisions of this chapter and the rules of the board made pursuant thereto.

(5) Each license and any other evidence of the license that the board requires must be exhibited in each place of business for which it is issued and in the manner required for the display of a business license.

Sec. 231. RCW 82.24.530 and 2012 2nd sp.s. c 4 s 12 are each amended to read as follows:

A fee of two hundred fifty dollars must accompany each retailer's license application or license renewal application. A separate license is required for each separate location at which the retailer operates. A fee of thirty additional dollars for each vending machine must accompany each application or renewal for a license issued to a retail dealer operating a cigarette vending machine. An additional fee of ninety-three dollars must accompany each application or renewal for a license issued to a retail dealer operating a cigarette-making machine.

Sec. 232. RCW 82.24.550 and 2009 c 154 s 2 are each amended to read as follows:

(1) The board must enforce the provisions of this chapter. The board may adopt, amend, and repeal rules necessary to enforce and administer the provisions of this chapter.

(2) The department may adopt, amend, and repeal rules necessary to administer the provisions of this chapter. The board may revoke or suspend the license or permit of any wholesale or retail cigarette dealer in the state upon sufficient cause appearing of the violation of this chapter or upon the failure of such licensee to comply with any of the provisions of this chapter.

(3) A license may not be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by the
board. The board, upon finding that the licensee has failed to comply with any provision of this chapter or any rule adopted under this chapter, ((shall)) must, in the case of the first offense, suspend the license or licenses of the licensee for a period of not less than thirty consecutive business days, and, in the case of a second or further offense, ((shall)) must suspend the license or licenses for a period of not less than ninety consecutive business days nor more than twelve months, and, in the event the board finds the licensee has been guilty of willful and persistent violations, it may revoke the license or licenses.

(4) Any licenses issued under chapter 82.26 or 82.-- RCW (the new chapter created in section 403 of this act) to a person whose license or licenses have been suspended or revoked under this section ((shall)) must also be suspended or revoked during the period of suspension or revocation under this section.

(5) Any person whose license or licenses have been revoked under this section may reapply to the board at the expiration of one year from the date of revocation of the license or licenses. The license or licenses may be approved by the board if it appears to the satisfaction of the board that the licensee will comply with the provisions of this chapter and the rules adopted under this chapter.

(6) A person whose license has been suspended or revoked ((shall)) may not sell cigarettes or tobacco products or permit cigarettes or tobacco products to be sold during the period of such suspension or revocation on the premises occupied by the person or upon other premises controlled by the person or others or in any other manner or form whatever.

(7) Any determination and order by the board, and any order of suspension or revocation by the board of the license or licenses issued under this chapter, or refusal to reinstate a license or licenses after revocation ((shall)) must be reviewable by an appeal to the superior court of Thurston county. The superior court ((shall)) must review the order or ruling of the board and may hear the matter de novo, having due regard to the provisions of this chapter and the duties imposed upon the board.

(8) If the board makes an initial decision to deny a license or renewal, or suspend or revoke a license, the applicant may request a hearing subject to the applicable provisions under Title 34 RCW.

(9) For purposes of this section, "tobacco products" has the same meaning as in RCW 82.26.010.
Sec. 233. RCW 82.26.060 and 2009 c 154 s 3 are each amended to read as follows:

(1) Every distributor (shall) must keep at each place of business complete and accurate records for that place of business, including itemized invoices, of tobacco products held, purchased, manufactured, brought in or caused to be brought in from without the state, or shipped or transported to retailers in this state, and of all sales of tobacco products made.

(2) These records (shall) must show the names and addresses of purchasers, the inventory of all tobacco products, and other pertinent papers and documents relating to the purchase, sale, or disposition of tobacco products. All invoices and other records required by this section to be kept (shall) must be preserved for a period of five years from the date of the invoices or other documents or the date of the entries appearing in the records.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees, may enter any place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under this chapter, and the tobacco products contained therein, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees, are denied free access or are hindered or interfered with in making such examination, the registration certificate issued under RCW 82.32.030 of the distributor at such premises (shall be) is subject to revocation, and any licenses issued under this chapter or chapter 82.24 or 82.-- RCW (the new chapter created in section 403 of this act) are subject to suspension or revocation, by the department or board.

Sec. 234. RCW 82.26.080 and 2005 c 180 s 5 are each amended to read as follows:

(2) The retailer (shall) must keep at each retail outlet copies of complete, accurate, and legible invoices for that retail outlet or place of business. All invoices required to be kept under this
section ((shall)) must be preserved for five years from the date of purchase.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees may enter any retail outlet without a search warrant, and inspect the premises for invoices required to be kept under this section and the tobacco products contained in the retail outlet, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees, are denied free access or are hindered or interfered with in making the inspection, the registration certificate issued under RCW 82.32.030 of the retailer at the premises is subject to revocation, and any licenses issued under this chapter or chapter 82.24 or 82.-- RCW (the new chapter created in section 403 of this act) are subject to suspension or revocation by the department.

Sec. 235. RCW 82.26.150 and 2013 c 144 s 52 are each amended to read as follows:

(1) The licenses issuable by the board under this chapter are as follows:
   (a) A distributor's license; and
   (b) A retailer's license.

(2) Application for the licenses must be made through the business licensing system under chapter 19.02 RCW. The board may adopt rules regarding the regulation of the licenses. The board may refuse to issue any license under this chapter if the board has reasonable cause to believe that the applicant has willfully withheld information requested for the purpose of determining the eligibility of the applicant to receive a license, or if the board has reasonable cause to believe that information submitted in the application is false or misleading or is not made in good faith. In addition, for the purpose of reviewing an application for a distributor's license or retailer's license and for considering the denial, suspension, or revocation of any such license, the board may consider criminal conduct of the applicant, including an administrative violation history record with the board and a criminal history record information check within the previous five years, in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions, and the provisions of RCW 9.95.240 and chapter 9.96A RCW do not apply to such cases. (3) No person may qualify for a distributor's license or a retailer's license under this section without first undergoing a criminal background check. The background check must be performed by the board and must disclose any criminal conduct within the previous five years in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions. If the applicant or licensee also has a license issued under chapter 66.24 (or 82.-- RCW (the new chapter created in section 403 of this act), the background check done under the authority of chapter 66.24 ((or)) 82.24, or 82.-- RCW (the new chapter created in section 403 of this act) satisfies the requirements of this section.

(4) Each license issued under this chapter expires on the business license expiration date. The license must be continued annually if the licensee has paid the required fee and complied with all the provisions of this chapter and the rules of the board adopted pursuant to this chapter.

(5) Each license and any other evidence of the license required under this chapter must be exhibited in each place of business for which it is issued and in the manner required for the display of a business license.

(2) The fee imposed under subsection (1) of this section does not apply to any person applying for a retailer's license or for renewal of a retailer's license if the person has a valid retailer's license under RCW 82.24.510 for the place of business associated with the retailer's license application or renewal application.

Sec. 237. RCW 82.26.220 and 2009 c 154 s 8 are each amended to read as follows:

(1) The board ((shall)) must enforce this chapter. The board may adopt, amend, and repeal rules necessary to enforce and administer this chapter.
(2) The department may adopt, amend, and repeal rules necessary to administer this chapter. (3) A license ((shall)) may not be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by the board. The board, upon finding that the licensee has failed to comply with any provision of this chapter or of any rule adopted under it, ((shall)) must, in the case of the first offense, suspend the license or licenses of the licensee for a period of not less than thirty consecutive business days, and in the case of a second or further offense, suspend the license or licenses for a period of not less than ninety consecutive business days but not more than twelve months, and in the event the board finds the licensee has been guilty of willful and persistent violations, it may revoke the license or licenses.

The superior court ((shall)) must review
the order or ruling of the board and may hear the matter de novo, having due regard to the provisions of this chapter and the duties imposed upon the board.

(8) If the board makes an initial decision to deny a license or renewal, or suspend or revoke a license, the applicant may request a hearing subject to the applicable provisions under Title 34 RCW.

PART III

Tribal Compacting

Sec. 301. RCW 43.06.450 and 2001 c 235 s 1 are each amended to read as follows:

The legislature intends to further the government-to-government relationship between the state of Washington and Indians in the state
of Washington by authorizing the governor to enter into contracts concerning the sale of cigarettes and vapor products. The legislature finds that these cigarette tax and vapor product tax contracts will provide a means to promote economic development, provide needed revenues for tribal governments and Indian persons, and enhance enforcement of the state's cigarette tax (law) and vapor product tax, ultimately saving the state money and reducing conflict. In addition, it is the intent of the legislature that the negotiations and the ensuing contracts (shall) have no impact on the state's share of the proceeds under the master settlement agreement entered into on November 23, 1998, by the state. Chapter 235, Laws of 2001 (does) and this act do not constitute a grant of taxing authority to any Indian tribe nor (does it) do they provide precedent for the taxation of non-Indians on fee land.

NEW SECTION. Sec. 302. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may enter into vapor product tax contracts concerning the sale of vapor products. All vapor product tax contracts must meet the requirements for vapor product tax contracts under this section.

(2) Vapor product tax contracts must be in regard to retail sales in which Indian retailers make delivery and physical transfer of possession of the vapor products from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, contracts must provide that retailers may not sell or give, or permit to be sold or given, vapor products to any person under the age of eighteen years.

(3) A vapor product tax contract with a tribe must provide for a tribal vapor product tax in lieu of all state vapor product taxes and state and local sales and use taxes on sales of vapor products in Indian country by Indian retailers. The tribe may allow an exemption for sales to tribal members.

(4) Vapor product tax contracts must provide that retailers must purchase vapor products only from:

(a) Wholesalers or manufacturers licensed to do business in the state of Washington;

(b) Out-of-state wholesalers or manufacturers who, although not licensed to do business in the state of Washington, agree to comply with the terms of the vapor product tax contract, are certified to
the state as having so agreed, and who do in fact so comply. However, the state may in its sole discretion exercise its administrative and enforcement powers over such wholesalers or manufacturers to the extent permitted by law;

(c) A tribal wholesaler that purchases only from a wholesaler or manufacturer described in (a), (b), or (d) of this subsection; and

(d) A tribal manufacturer.

(5) Vapor product tax contracts must be for renewable periods of no more than eight years.

(6) Vapor product tax contracts must include provisions for compliance, such as transport and notice requirements, inspection procedures, recordkeeping, and audit requirements.

(7) Tax revenue retained by a tribe must be used for essential government services. Use of tax revenue for subsidization of vapor products and food retailers is prohibited.

(8) The vapor product tax contract may include provisions to resolve disputes using a nonjudicial process, such as mediation.

(9) The governor may delegate the power to negotiate vapor product tax contracts to the department of revenue. The department of revenue must consult with the liquor control board during the negotiations.

(10) Information received by the state or open to state review under the terms of a contract is subject to the provisions of RCW 82.32.330.

(11) It is the intent of the legislature that the liquor control board and the department of revenue continue the division of duties and shared authority under chapter 82.-- RCW (the new chapter created in section 403 of this act) and therefore the liquor control board is responsible for enforcement activities that come under the terms of chapter 82.-- RCW (the new chapter created in section 403 of this act).

(12) Each vapor product tax contract must include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the contract should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the contract so allow. A contract must provide for termination of the contract if resolution of a dispute does not occur within twenty-four months from the time notification of a violation.
has occurred. Intervening violations do not extend this time period. In addition, the contract must include provisions delineating the respective roles and responsibilities of the tribe, the department of revenue, and the liquor control board.

(13) For purposes of this section and sections 303 and 305 through 307 of this act:

(a) "Essential government services" means services such as tribal administration, public facilities, fire, police, public health, education, job services, sewer, water, environmental and land use, transportation, utility services, and economic development;

(b) "Indian country" has the same meaning as in RCW 82.24.010;

(c) "Indian retailer" or "retailer" means: (i) A retailer wholly owned and operated by an Indian tribe; (ii) a business wholly owned and operated by a tribal member and licensed by the tribe; or (iii) a business owned and operated by the Indian person or persons in whose name the land is held in trust;

(d) "Indian tribe" or "tribe" means a federally recognized Indian tribe located within the geographical boundaries of the state of Washington; and

(e) "Vapor products" has the same meaning as in section 201 of this act.

NEW SECTION. Sec. 303. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor is authorized to enter into vapor product tax contracts with federally recognized Indian tribes located within the geographical boundaries of the state of Washington, except the Puyallup Tribe of Indians. Each contract adopted under this section must provide that the tribal vapor product tax rate be one hundred percent of the state vapor product tax and state and local sales and use taxes. The tribal vapor product tax is in lieu of the state vapor product tax and state and local sales and use taxes, as provided in section 302(3) of this act.

(2) A vapor product tax contract under this section is subject to section 302 of this act.

NEW SECTION. Sec. 304. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may enter into a vapor product tax agreement with the Puyallup Tribe of Indians concerning the sale of vapor...
products, subject to the limitations in this section. The legislature intends to address the uniqueness of the Puyallup Indian reservation and its selling environment through pricing and compliance strategies, rather than through the imposition of equivalent taxes. The governor may delegate the authority to negotiate a vapor product tax agreement with the Puyallup Tribe to the department of revenue. The department of revenue must consult with the liquor control board during the negotiations.

(2) Any agreement must require the tribe to impose a tribal vapor product tax with a tax rate that is ninety percent of the state vapor product tax. This tribal tax is in lieu of the combined state and local sales and use taxes and the state vapor product tax, and as such these state taxes are not imposed during the term of the agreement on any transaction governed by the agreement. The tribal vapor product tax must increase or decrease at the time of any increase or decrease in the state vapor product tax so as to remain at a level that is ninety percent of the rate of the state vapor product tax.

(3) The agreement must include a provision requiring the tribe to transmit thirty percent of the tribal tax revenue on all vapor products sales to the state. The funds must be transmitted to the state treasurer on a quarterly basis for deposit by the state treasurer into the general fund. The remaining tribal tax revenue must be used for essential government services, as that term is defined in section 302 of this act.

(4) The agreement is limited to retail sales in which Indian retailers make delivery and physical transfer of possession of the vapor products from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, agreements must provide that retailers may not sell or give, or permit to be sold or given, vapor products to any person under the age of eighteen years.

(5)(a) The agreement must include a provision to price and sell the vapor products so that the retail selling price is not less than the price paid by the retailer for the vapor products.

(b) The tribal tax is in addition to the retail selling price.

(c) The agreement must include a provision to assure the price paid to the retailer includes the tribal tax.
If the tribe is acting as a distributor to tribal retailers, the retail selling price must not be less than the price the tribe paid for such vapor products plus the tribal tax.

(6)(a) The agreement must include provisions regarding enforcement and compliance by the tribe in regard to enrolled tribal members who sell vapor products and must describe the individual and joint responsibilities of the tribe, the department of revenue, and the liquor control board.

(b) The agreement must include provisions for tax administration and compliance, such as transport and notice requirements, inspection procedures, recordkeeping, and audit requirements.

(c) The agreement must include provisions for sharing of information among the tribe, the department of revenue, and the liquor control board.

(7) The agreement must provide that retailers must purchase vapor products only from distributors or manufacturers licensed to do business in the state of Washington.

(8) The agreement must be for a renewable period of no more than eight years.

(9) The agreement must include provisions to resolve disputes using a nonjudicial process, such as mediation, and must include a dispute resolution protocol. The protocol must include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the agreement should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the agreement so allow. An agreement must provide for termination of the agreement if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period.

(10) Information received by the state or open to state review under the terms of an agreement is subject to RCW 82.32.330.

(11) It is the intent of the legislature that the liquor control board and the department of revenue continue the division of duties and shared authority under chapter 82.-- RCW (the new chapter created in section 403 of this act).

(12) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.
"Indian country" has the same meaning as provided in chapter 82.24 RCW.

(b) "Indian retailer" or "retailer" means:
   (i) A retailer wholly owned and operated by an Indian tribe; or
   (ii) A business wholly owned and operated by an enrolled tribal member and licensed by the tribe.

(c) "Indian tribe" or "tribe" means the Puyallup Tribe of Indians, which is a federally recognized Indian tribe located within the geographical boundaries of the state of Washington.

NEW SECTION. Sec. 305. A new section is added to chapter 82.08 RCW to read as follows:

The tax levied by RCW 82.08.020 does not apply to sales of vapor products by an Indian retailer during the effective period of a vapor product tax contract subject to section 303 of this act or a vapor product tax agreement under section 304 of this act.

NEW SECTION. Sec. 306. A new section is added to chapter 82.12 RCW to read as follows:

The provisions of this chapter do not apply in respect to the use of vapor products sold by an Indian retailer during the effective period of a vapor product tax contract subject to section 303 of this act or a vapor product tax agreement under section 304 of this act.

NEW SECTION. Sec. 307. The taxes imposed by this chapter do not apply to the sale, use, consumption, handling, possession, or distribution of vapor products by an Indian retailer during the effective period of a vapor product tax contract subject to section 303 of this act or a vapor product tax agreement under section 304 of this act.

PART IV
Miscellaneous Provisions

NEW SECTION. Sec. 401. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned.
