

# Chelatchie Railroad Trail

The recommended primary alignment bypasses this siding and narrow ROW near MP-6.75 at NE 87th Avenue in Homan.

Driveway crossing north of NE Laurin Road near MP-8.5. The recommended alignment is left of track.

View near MP-8.7. Narrow 60-foot ROW and potential rail operations conflicts in area proposed for rezoning to Railroad industrial will require coordination of trail alignment with development code and site design to maintain trail continuity.
