# Background

---

- Washington State University-Vancouver (WSU-V) last updated its master plan in 2007.
- The current, proposed master plan update includes the following primary components:
  - three new academic buildings
  - student union building
  - undergraduate dormitory housing
- Three open houses were held in 2018 to discuss the master plan update.

# Clark County Code Section 40.230.050: University District

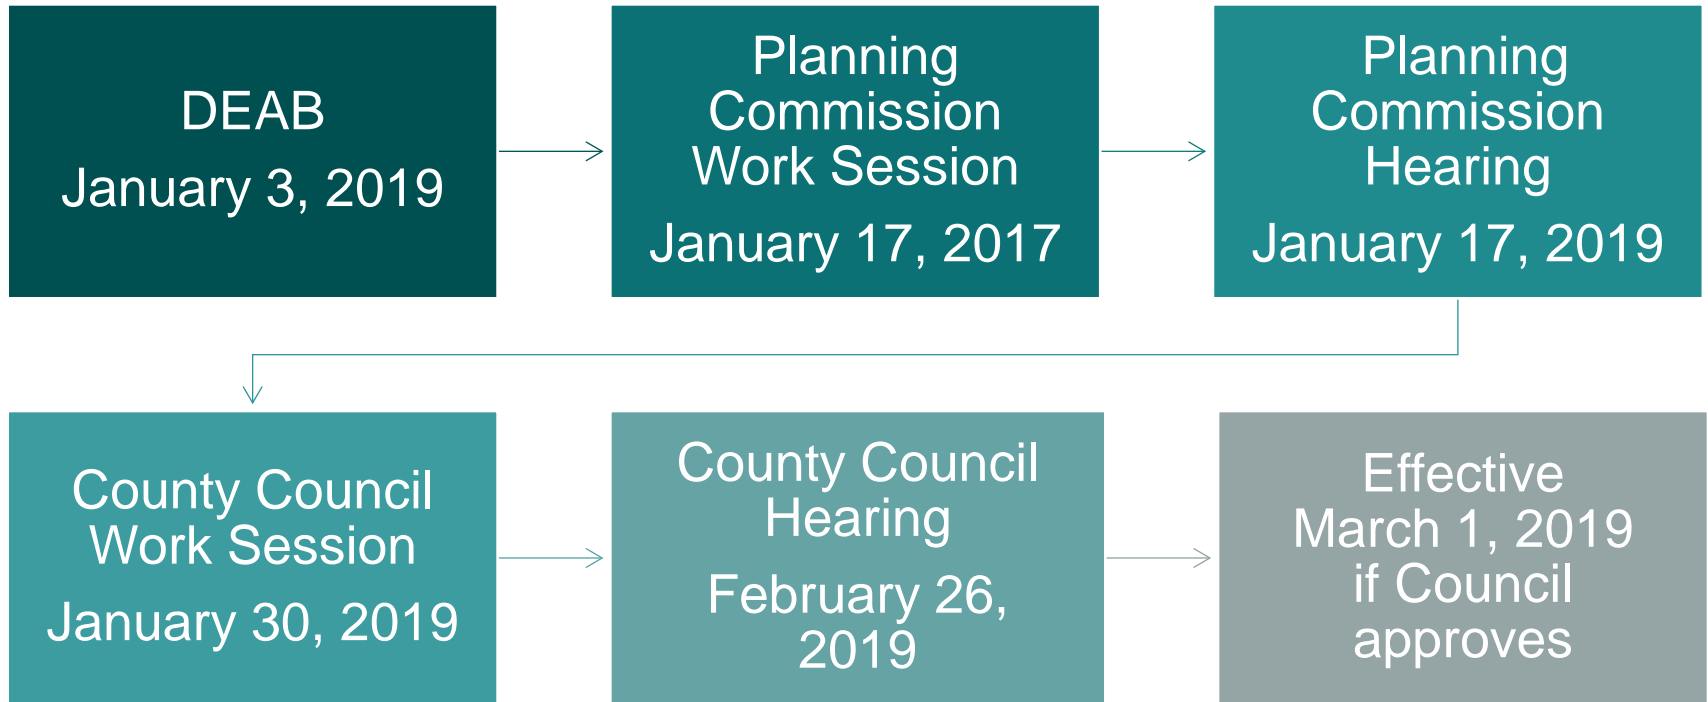

---

- Currently the University District code applies only to WSU-V.
- The University District needs to be updated before the WSU-V master plan can be updated.
- The only proposed code change is the addition of dormitories as an allowed use in the use table.
- The next step for WSU-V is to go through the Type III master plan review.
