

Parent Input Form (Phase 5)

The JRC team understands that employment, childcare, transportation and other barriers may keep you from attending all of your youth's JRC court dates. We value your input and presence in court but understand that if you're not able to attend, filling out this short questionnaire as an alternative would be greatly appreciated. Please submit your completed form to Jeff Reams or your youth's probation counselor (contact information provided below) no later than Tuesday at 5pm. Electronic version available at <https://www.clark.wa.gov/juvenile-court/juvenile-recovery-court>

- 1) Identify 1 positive about your youth since last court date.

- 2) Give 1 example of something you and your youth did together that was positive since last court date.

- 3) What goals are your youth still working on and how can you support them in helping them achieve their goals?

- 4) Any other comments that you would like to share about your youth or how JRC can better help.

- 5) What support services do you believe will help your youth complete JRC or be successful upon completion?
